Stage Make-up Tips:

Stage Makeup is optional, but if you choose to apply makeup to your student please follow the directions below.

Needed Supplies: Foundation, Powder, Eyeshadow, Mascara, Eyeliner, Blush, Lipstick, & Makeup Brushes

Directions:

1. Apply foundation in a color that matches the performer's skin tone. Use a sponge or foundation brush to apply the foundation, making sure to blend evenly into the hairline, temples, and slightly below the jawline/neck.
2. Add shadow to the eyes by using a cream color along the curve of the socket, light brown to a. cover the lid of the eye, and a dark brown in the crease of the eyelid.
3. Using a pencil or liquid eyeliner, line the eyes with a thin, firm line above the upper lashes, and with a thinner line below the lower ones.
4. **Eyebrows:** If the brows are light, use a brow pencil to shape and define.
5. Finish the eye's off with mascara on both top and bottom lashes.
6. **For younger performers:** Use a brown color to line the eyes, this will have a more natural look. Fill in the Brows, but Mascara is not necessary.
7. Apply blush to the apple of the cheeks, blending up towards the top of the dancer's ears.
8. Line the mouth with a firm line that enhances the natural shape of the dancer's mouth. Use a bright natural red/pink lipstick.
9. Powder the entire face. This will help 'set' the makeup and eliminate the need to reapply before the dancer performs.
