### **Stage Make-up Tips:**

Stage Makeup is not required, but if you choose to apply makeup to your student please follow the directions below.

**Needed Supplies:** Foundation, Powder, Eyeshadow, Mascara, Eyeliner, Blush, Lipstick, & Makeup Brushes

### **Directions:**

1. Apply **foundation** in a color that matches the performer's skin tone. Use a sponge or foundation brush to apply the foundation, making sure to blend evenly into the hairline, temples, and slightly below the jawline/neck.
2. Add **shadow** to the eyes by using a cream color along the curve of the socket, light brown to cover the lid of the eye, and a dark brown in the crease of the eyelid.
3. Using a **pencil or liquid eyeliner**, line the eyes with a thin, firm line above the upper lashes, and with a thinner line below the lower ones.
4. **Eyebrows:** If the brows are light, use a brow pencil to shape and define.
5. Finish the eye's off with **mascara** on both top and bottom lashes.
6. Apply **blush** to the apple of the cheeks, blending up towards the top of the dancer's ears.
7. Line the **mouth** with a firm line that enhances the natural shape of the dancer's mouth. Use a bright natural red/pink lipstick.
8. **Powder the entire face.** This will help 'set' the makeup and eliminate the need to reapply before the student performs.
